## **Resurfacing Project on Colfax Street from U.S. 14 to Quentin Road**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that temporary lane closures will take place on Colfax Street between U.S. 14 and Quentin Road, in Palatine, for a resurfacing project, beginning, weather permitting, Monday, May 1.

In order to complete the work, temporary lane closures with flaggers will take place on Colfax Street from U.S. 14 to Quentin Road. At least one lane of traffic will be maintained at all times.

The scope of the project consists of resurfacing, patching and replacement of curb and gutter. The overall improvements include new roadway and shoulder.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
